

# CHÂTEAU GOURRAN

Dear subscriber, by this service we keep you informed of the process of wine making, trade, hall of fame of our wines and much more. Our homepage will be updated at the same time.

## Decanter World Wine Awards, DWWA

May 17 we were awarded the DWWA Commended for the Grande Réserve 2008. We are not only proud to have the potential of our first growth confirmed at the international arena; we are also challenged by the opportunities we get in this situation. Decanter's judgment is relating, this means that it is the quality/price ratio they judge. This contributes to our confidence in the international marketing.

## London International Wine Fair (LIWF)

Decanter offers a stand at LIWF, which is reserved for "unsigned talents", meaning Decanter award winning producers without UK distributor. We take this opportunity to seek a British distributor. LIWF is one of the world's largest wine fairs, targeting professional actors i.e. producers, distributors, sommelier's and restaurants.

## Rent Château Gourran one week for 12 persons

It is possible for you to rent the main house, with pool, terraces and the old tennis court through our sister company SARL Loisir Gourran. We still have some good weeks available in 2011. Check the link at the right column.

Best regards
